

# Biomass-Asia Workshop II

**Panel Discussion: 5**

**Chair: Peesamai Jenvanitpanjakul**

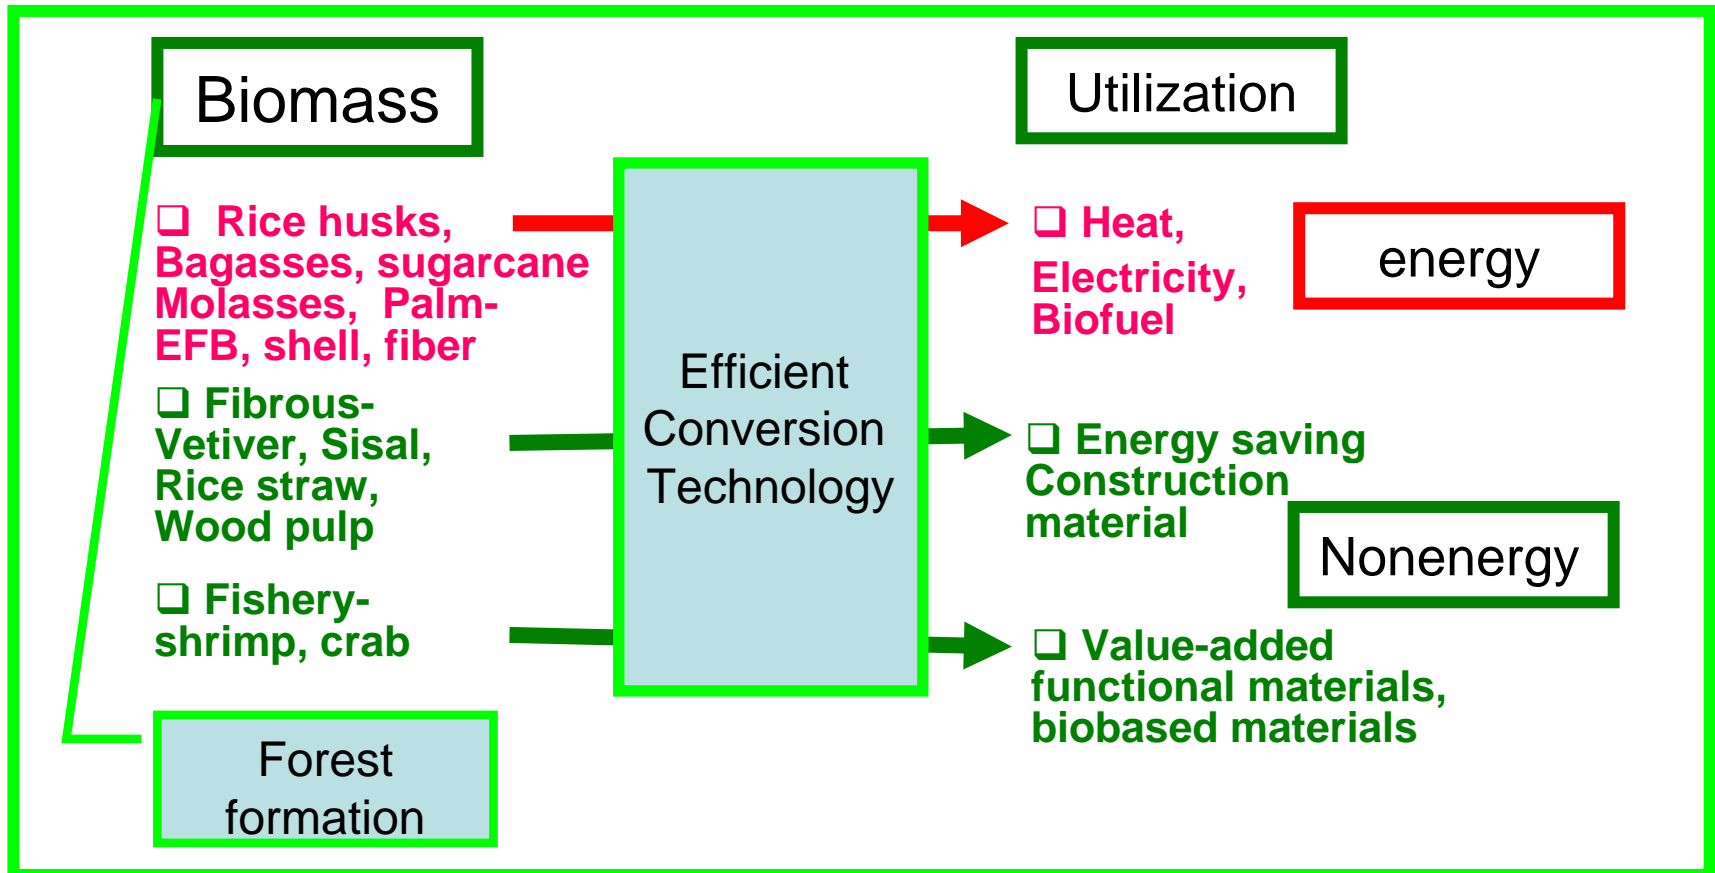

**Panel: ❖ Malaysia      ❖ Japan-2  
         ❖ Thailand-2   ❖ Vietnam**

**Wrap up: Biomass Utilization**

# Biomass-Asia Workshop II

① Reduce CO2 emission ② Sustainable resource availability ③ Global warming prevention ④ Energy security

**Needs:** 1. Add value and widen the use of biomass. 2. Promoting R&D collaboration 3. Demonstration Project 4. Establish the database of biomass within Asia Countries 5. LCA study 6. Recycling and cascade use of carbon
