Sixth Biomass-Asia Workshop

Date : November 18 – 20, 2009

Venue: Hotel Granvia Hiroshima

1-5 Matsubara-cho, Minami-ku, Hiroshima 732-0822 JAPAN

Purpose

Biomass-Asia Workshop has been organized annually since FY2004, aiming to strengthen environmental and energy partnerships among Asian nations for realizing sustainable society. Based on the technologies discussed and opinions exchanged at the past five workshops, the Sixth Workshop will chart a clear direction for R&D on industrial and agricultural technologies in this important field.

Organized by *(to be confirmed)*

Ministry of Agriculture, Forestry and Fisheries of Japan (MAFF)

Ministry of Economy, Trade and Industry (METI)

Biomass-Asia Research Consortium

National Institute of Advanced Industrial Science and Technology (AIST)

Japan International Research Center for Agricultural Sciences (JIRCAS)

National Agriculture and Food Research Organization (NARO)

Forestry and Forest Products Research Institute (FFPRI)

The University of Tokyo

Hiroshima University

Sponsored by *(to be confirmed)*

Ministry of Education, Culture, Sports, Science and Technology (MEXT)
